

# SURREY PARKLAND OVER PROFIT

**PLEASE SIGN THE PETITION**

## Our Story

We bought homes in Fleetwood to raise our families in a quiet green neighbourhood. Our community follows the same neighbourhood and home footprint as most of our neighbours south of the Fraser Highway. The proposed development does not:

- Adhere to the Official Community Plan
- Protect the Fleetwood Habitat Corridor
- Recognize the major traffic problems to be caused
- Respect the need to reduce school over crowding
- Account for additional pressures on medical and emergency services
- Value the benefits of legacy recreational green space for future generations

Don't allow developers to forever change our communities! **It may be your green space next!**

Thank You For Your Support
